REVENUE

SIR,

I have the honor to state that Mr.T.K.Lakshmana Iyer, Amildar of Sorab Taluk, having delayed to furnish information regarding the stock of principal food grains in his Taluk in September last, the Deputy Commissioner, Shimoga District, was in this office docket No. C.838/Gl.18-19 dated the 26th October 1918 (copy enclosed for reference) requested to obtain his explanation for the delay. The Amildar, in his explanation, which is herewith sent in original, attributes the delay to the non-receipt of the information in time from the shekdars and the want of co-operation on the part of the Taluk Sheristedar. The failure of the Amildar to give his personal attention to an important matter like this and his subsequent attempt to exonerate himself by throwing the responsibility on his subordinates betrays incapacity on his part. The Deputy Commissioner has therefore been requested to inform the Amildar accordingly.

For Revenue Commissioner.

The Deputy Commissioner
Shimoga District

Respected Sir,

In obedience to your order no HC dated 9th instant forwarding copy of Revenue Commissioner's no C 838 G.C dated 28th Oct 1918 calling for my explanation for the delay in furnishing information re- the stock of food grains, I most humbly and respectfully beg to state that the Deputy Commissioner's order no S.C 463 dated 5th Sept. 1918 with the Copy of Govt order no 3864 dated 21st Aug 1918 for Collection of statistics in question was the village Officials and Shekdars was received in this Office on 7th Sept. 1918. On the very date, the orders were issued to the six Shekdars in the Taluk with strict instructions to submit the statistics the fixed time. According to the above orders the returns from all the Shekdars

were seen in Dublin this

September. A meeting in the matter

was however arranged to be held yesterday

evening, when the result of any information

from the absentees should be laid before the Shakers

on 11th. during week to submit

the statements received in the matter.

Information does not appear to have been

received recently from the Government.

At the meeting of the Shakers

held on Friday evening a Chairman was not

appointed, but the meeting was addressed

by Mr. Thomas O'Rourke, Mr. Patrick Ward, Mr.

Edward [illegible] Mr. Michael

same owing to the prevalence of influenza
in a virulent form in the Sorab town as
well as almost all the villages of the Taluk
As according to the order of the Revenue -
Commissioner - no C 803 dated 19.8.1918, I
had to be on constant tour to make -
proper arrangements in connection with the
distress, I had entrusted the Taluk Sheristadar
with this work of collecting the food Stocks
Statistics, holding him personally responsible
in getting the accounts from the Shekdars
and seeing to its prompt despatch to the
District office in time. As I had to attend
the District Board meeting on the 26th
at Shimoga as per District orders, I left
Sorab for Shimoga on the 24th September
and returned back to Sorab on the 29th
idem from which date I was busy with
the Inspection Superintendent till 3rd October 1918
As he was touring in this Taluk during
that period. As the returns from the
Shekdars had not been received till
3rd October 1918 inspite of 3 orders issued

[illegible] as [illegible] [illegible] [illegible] [illegible] [illegible]

from Sagar. I learnt that the returns of Jade Hobli had not been received yet. I myself went to Jade without even a peon to help me as all were called up, to fetch the returns from the Shekdar asking the Office to prepare and send Muddam to my Camp the Consolidated statement, if the Jade Hobli returns could be received after my departure. I was informed by the Shekdar at Jade that he had already submitted the returns but in fact his accounts were received in the Taluk Office only on the 12th October 1918 after my return from Jade. The distance travelled on horse back on the 11th idem was 38 miles + the hours from 7 a.m. to 10 P.M.

As I learnt that the dire scourge of Influenza was prevailing in Anandapur and the Villages of that Hobli in a fearful manner, resulting in loss of a large number of people, (the deaths up to date in Hobli being more than 1500) I thought necessary to go at once to that Hobli to make proper arrangements to

on the same date.

Under the above circumstances, I humbly beg to state, that I had taken very prompt steps in collecting the statistics called for from the District Office and but for the unfortunate happenings as detailed above, coupled with the slackness on the part of the Shirkedar and Sheristedar in cooperating with me even in such an important matter, the submission of the statistics would not have at all been delayed:

I had frequently brought to the notice of my higher Officers that the Taluk Sheristedar Mr Venkata Rao was always disobedient and indifferent to his Office work and that his transfer was a necessity for the smooth going on of work in this Taluk. From about the 1st March last, the matter was under correspondence and he went off from Taluk only in the middle of October

I crave permission in this connection to state that if the D K Theosophists have taken half as much interest in this work as this fellow Theosophist has shown in talking throughout this state, there was no need for this simple remark to get belated. I did practically hard work on this book of unbridged errors, no words and no fresh ideas, and was running to Shakespeare for ever such a uniquely wretched fiction in this connection. But the Dark Theosophist who was Comfortably stopping at Home Quarters with this treasury work made much simpler by the recent Judge's scheme, did not think it fair to Shake his little finger in a matter of so much importance. It was my singular misfortune to have such hard work in my office, a witness over which I had no control and as in the rebuke that has happened, I respectfully beg that I may be kindly excused.

I beg to remain
most respectfully
Yours most obedient servant.
